RE Comments of the New York State Department of Public Service in the
Matter of Application of RCN Telecom Services, Inc. to Discontinue
Domestic Telecommunications Services;
WC Docket No. 04-17, Comp. Pol. File No. 672

Dear Secretary Dortch,

The New York State Department of Public Service ("NYDPS") submits these comments in response to the Federal Communications Commission's ("Commission") Public Notice ("Notice") issued February 2, 2004 in the above referenced proceeding. The Notice seeks comments on the application of RCN Telecom Services, Inc. ("RCN") to discontinue the provision of local telephone service within the affected service areas in New York.¹ The discontinuance of service will be effective 31 days after the release of the Notice, which is March 5, 2004.

¹ The affected service areas are the Town of Beekman (Dutchess County); the Village of Brewster (Putnam County); the Town of Carmel (Putnam County), the Town of Kent (Putnam County); the Town of Patterson (Putnam County), the Town of Pawling (Dutchess County), the Village of Pawling (Dutchess County), the Town of Putnam Valley (Putnam County), the Town of Somers (Westchester County), and the Town of Southeast (Putnam County).

The NYDPS supports permitting RCN to discontinue service for all customers on that date. In order to ensure a seamless migration of these customers, RCN filed an exit plan, which is required by the New York Public Service Commission (NYPSC), in order to ensure the orderly migration of customers to the new provider, Carmel Telephone Services, Inc. (CarmelTel). Both RCN and CarmelTel have complied with the NYPSC's migration guidelines. On February 12, 2004, the NYPSC approved the transfer of RCN's telephone assets and customer base in the affected service area to CarmelTel.² Therefore, the NYDPS requests that the Commission automatically grant RCN's application to discontinue services.

Very truly yours,
